# ABOUT STEALTH

Stealth Management Solutions (P) Ltd. is one of the leading Security Services Provider, with top of the line of elite customers since 2008. During this short span of time we have built our portfolio to influence and inspire the Security market place to spread our services in cities like Pune & Kolhapur with Mumbai being the headquarter.

Stealth deploys highly trained, skilled and licensed quality security personnel for day to day guarding and vigilance duties to major commercial establishments like Corporate Houses, Industries, Banks, Malls, Hospitals, Hotels, Clubs, Airports, Construction Sites, Events, and in Tourism industry also.

Our USP lies in the ERT (Emergency Response Team) that handles emergencies arising due to an outbreak of fire, accidents, medical aid, bomb threats, thefts/pilferage, violence or any kind of untoward incident that requires quick and deft handling thus safeguarding both lives people & property.

## 360° Safety & Security Solutions

“Our team” a driving force behind the scenes strive hard to achieve customer satisfaction taking you to the next level of security .

## SECURITY SERVICES

# SAFEGUARD

Corporate infrastructure and its workforce are an integral part of any growing organization. Recent years have seen a rise in the security breaches leading to high levels of catastrophes affecting the bottom lines.

Stealth has been a fore runner in this region & is known for its trained, committed, motivated and disciplined work force which renders high quality services to large corporate houses and commercial complexes in metro and 2<sup>nd</sup>/3<sup>rd</sup> tiers cities.

**Training Program :** Training security personnel is an ongoing process and begins with classroom training followed by three days of on-the-job training.

We also undertake cost effective physical exercises and combat training on a daily basis before commencing the day's work. The members of the ERT undergo regular firefighting and rescue operations drills.

As per clients request : We also provide on location training as a service to the clients existing security guards, which comes in handy during any emergency that may occur.

**Regular Security Audit** - Periodical security audits are done at all properties by a team of professionals & recommendations are made to clients for any changes that may be required for improvised security, on time to time basis.

**Monitoring of Properties** - Surprise night checks (twice a week) are done by Area-Managers. Branch heads too have frequent site visits to get first-hand information. Our Area Officers carry out site visit and reports to HO for further action to be taken if needed.

## Forefront Protection

High levels of Security with Regular Security Audit & Monitoring of Properties

# EMERGENCY RESPONSE TEAM LIVE ACTION

At Stealth Management Solutions Pvt. Ltd. we are geared for any kind of emergencies & disasters, be it caused by fire, accident, bomb threat, or medical emergency.

Ever ready for any emergency situation our ERT efficiently evacuate the premises without causing any panic amongst the people present there, provide first aid, carry out rescues and extinguish fire caused by accident or arson, co-ordinate with concerned authorities and execute many more such activities seamlessly.

## REALTIME Protection

“ Fire, security threat or any kind of emergency...you can always rely on us. ”

## EXHIBITIONS & SPECIAL EVENTS

# FULL CONTROL

Stealth has always been a part of the nightlife in the metro city hotels, High profile events, parties and pubs by providing well built and trained bouncers on duty.

Their presence is intimidating, thus keeping a check on the people who go overboard. We provide Security guards, Bouncers, Body guards for any occasion and this includes for Weddings product launches movie shoots and any other activities where there is a big gathering of masses.

## READY Steady

“Executive Protection, Security Professionals for special events and exhibitions”

# ELECTRONIC SYSTEMS & OPERATORS 24/7 MONITOR

Malls and commercial properties are a vulnerable targets for acts of terrorism or other violent attacks. An emergency management plan deters violent activities.

Stealth compliments to this with a 365 days - 24/7 plan by providing and installing security systems with trained staff of all cadres to monitor & keep a constant watch on the activities of suspicion if any.
